

# **North Hampton Heritage Commission**

## **Minutes – September 21, 2000**

Those present: Jenifer Landman, Priscilla Leavitt, Jane Palmer, Bob Southworth, Jane Meneghin, and Barbara Hobby

September 7<sup>th</sup> minutes approved.

Little River Walk: The photos were returned safely from Susannah via Federal Express. Priscilla was given the Historical Society photos to return to the archives. Bob Southworth donated his photos to the Commission files. We voted to reimburse Susannah for the Federal Express expense. Barbara immediately handled the matter by giving the Town Office a requisition. Bob worked on the map for the brochure. Jane P. asked if we had permission from the owner regarding the LR school across from the cemetery. Jenny does not have it yet and will have to send a certified letter. We are going to try to find an old photo of the school because a current photo would not be desirable. Jenny suggested that we put an article in the paper asking for financial donations and loan of an old photo. We decided that we didn't want to be responsible for a loaned, irreplaceable photo as it could be lost in transit to and from Susannah.

Little Boar's Head Walk: The LBH Commission submission was received by Susannah via Federal Express from Janice Mellian.

North Hill Walk: Jane Meneghin and Priscilla gave many of the North Hill Walk write-ups to Jenny to organize in the computer. Jane Palmer took the lead in researching the addresses and names of owners for permission letters which she did during the meeting. Jane M. offered to print the letters and envelopes. Priscilla worked on the map and said that she would finish it before the next meeting.

Town Hall/Depot Walk: Priscilla said that she would find photos of as many locations as she could in the Historical Society archives.

We believe that we are on schedule for the 11/30 deadline. Jenny suggested that we meet in 1 month, as she has demanded a lot of the group meeting every 2 weeks. The group voted that we meet in 2 weeks to get "the thing done". It is our hope to review material from Susannah at this meeting, including the LBH submission.
